

On every page, there is a header that displays the following:

- On the Right: the full name of the connected user.
- In the middle: the current date, time, and shift.
- On the Left: an icon with three lines that provides access to the side menu bar.

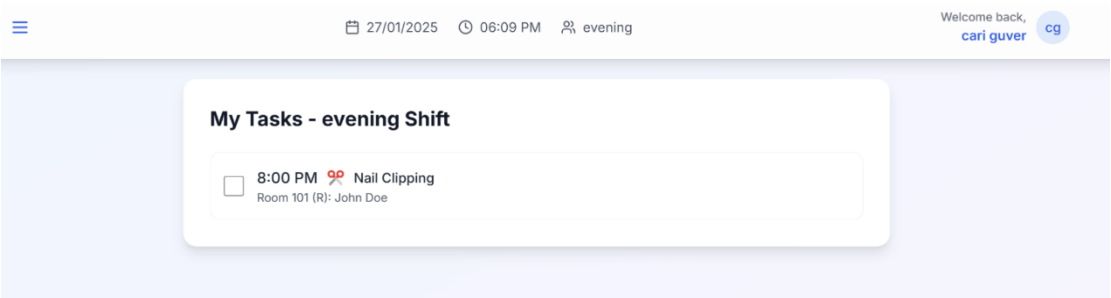

Caregiver Home Screen

- **Your Schedule:** Displays the schedule for the current shift of the connected caregiver.
- **Your Patients:** Displays the patients assigned to the connected caregiver for the current shift.

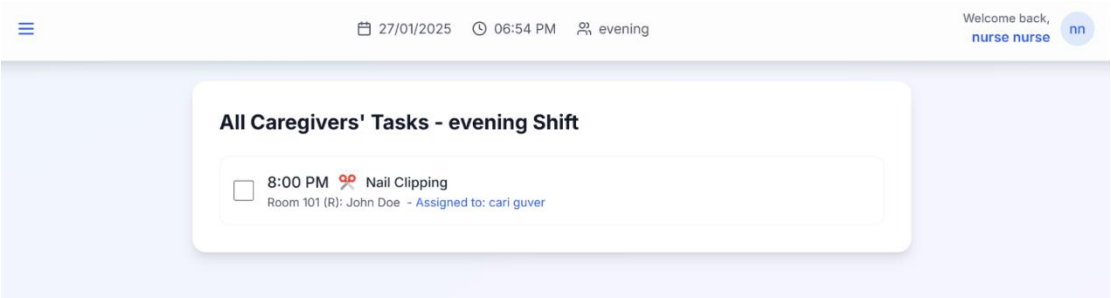

schedule page:

Caregiver: Displays the tasks that have not been completed during the current shift for their assigned patient.

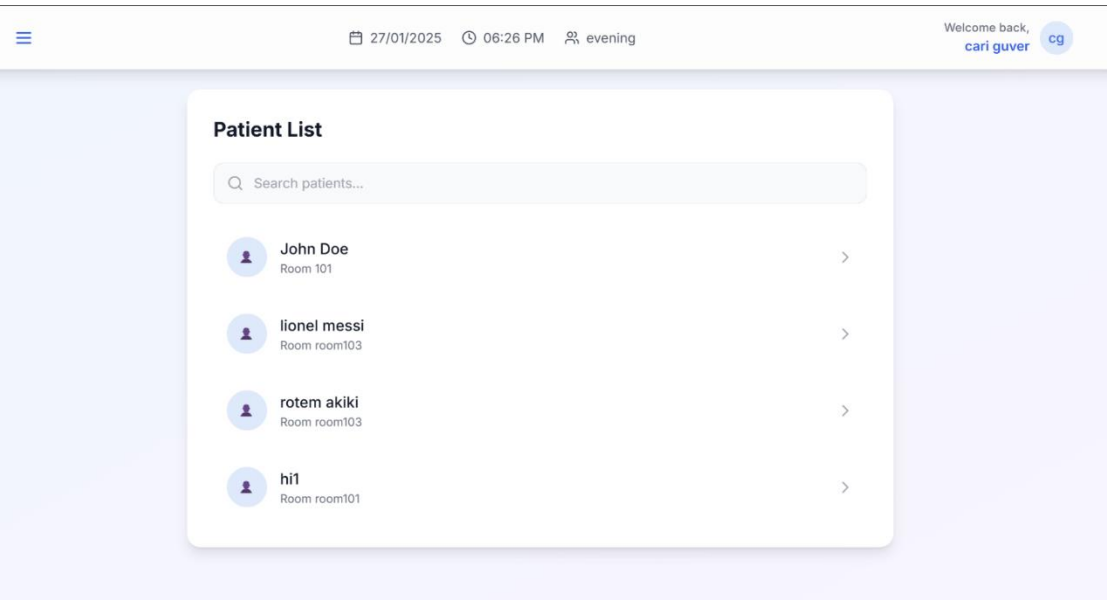

Nurse: Displays the tasks that have not been completed during the current shift for all caregivers

Patients list page

Displays all patients in the department with the option to use a search bar to locate a specific patient.

- Patient Details: View and edit the patient's details.
- Safety Instructions: View and edit the patient's safety instructions.
- Tasks: Displays all tasks related to the patient with the option to mark them as completed.

Welcome back,
